a child will make two dishes at an entertainment for friends and when the family dines alone the fore or hind quarter will make a reasonable dish and seasoned with a little pepper or salt will be very good boiled on the fourth day especially in winter

in 1729 jonathan swift proposed the most satirical answer to poverty ever written we sell poor children as food to rich people the essay is as hilarious today as it was hundreds of years ago if you can understand it if you have struggled in the past reading the satire then bookcaps can help you out we all need refreshers every now and then whether you are a student trying to cram for that big final or someone just trying to understand a book more bookcaps can help we are a small but growing company and are adding titles every month

i have been assured by a very knowing american of my acquaintance in london that a young healthy child well nursed is at a year old a most delicious nourishing and wholesome food whether stewed roasted baked or boiled and i make no doubt that it will equally serve in a fricasie or a ragoust i do therefore humbly offer it to public consideration that of the hundred and twenty thousand children already computed twenty thousand may be reserved for breed whereof only one fourth part to be males which is more than we allow to sheep black cattle or swine and my reason is that these children are seldom the fruits of marriage a circumstance not much regarded by our savages therefore one male will be sufficient to serve four females that the remaining hundred thousand may at a year old be offered in sale to the persons of quality and fortune through the kingdom always advising the mother to let them suck plentifully in the last month so as to render them plump and fat for a good table

a modest proposal is a satirical essay written by the renowned irish author and social commentator jonathan swift published in 1729 this provocative piece has become one of swift s most famous works and is often hailed as a masterstroke of satire through razor sharp wit and scathing humor swift addresses the dire social and economic conditions in 18th century ireland urging readers to reflect critically on issues of poverty oppression and moral responsibility at first glance swift s proposal appears straightforward yet shocking he suggests that impoverished irish families should sell their children as food to wealthy diners as a means to solve both their economic woes and the problem of overpopulation this idea outrageous and macabre serves a greater purpose to draw attention to the neglect and exploitation of the irish people by the english ruling class swift s biting irony invites readers to consider the inhumanity of viewing the poor merely as a problem to be managed rather than as human beings deserving of dignity and respect swift employs a logical and calculated style in presenting his proposal which makes the absurdity of his suggestion all the more striking by framing his arguments in a businesslike tone he mimics the detached rationalism often employed in economic discussions of the time he outlines the advantages of his proposal with calculated precision discussing the economic benefits and even providing calculations to illustrate how much a child could be worth on the market this chilling juxtaposition of cold logic and horrific content forces readers to confront their discomfort and reflect on the larger socio political issues at play through the course of the essay swift meticulously critiques both the british government and wealthy landlords who exploit the irish population he highlights the systemic neglect faced by the impoverished depicting these individuals as victims of a callous socio economic environment the absurdity of his proposal serves as a powerful indictment of the dehumanizing attitudes that allow such injustices to persist unchecked swift s satirical lens reveals how the ruling class discusses and treats the

poor ultimately prompting readers to question their complicity in societal problems swift's use of irony amplifies the impact of his arguments for instance he suggests that poor families should treat their children as commodities yet he concurrently exposes the inherent absurdity in viewing human life through an economic lens his extreme proposition compels readers to grapple with the underlying truths about societal neglect and moral apathy rather than offering a genuine solution swift's essay demands that readers confront the immorality of maintaining the status quo challenging them to reflect on what it means to be humane in the face of suffering the title itself a modest proposal serves as a significant element of the satire the word modest is deliberately ironic juxtaposing the outrageousness of the proposal with a tone that suggests reasonableness and practicality this contrast prepares readers for the shocking content amplifying the impact of the message swift's choice of language reinforces the satirical nature of the work as he articulates his ideas with a veneer of civility which ultimately highlights the grotesque nature of his proposition throughout the essay swift also employs vivid imagery and detailed descriptions which contribute to its emotional and psychological impact by painting a stark picture of the suffering experienced by the irish population he elicits sympathy and outrage from his audience this vividness not only serves to shock but also reinforces the urgency of his critique emphasizing the human cost of inaction in response to poverty and inequality ultimately a modest proposal transcends its historical context remaining relevant in contemporary discussions of social justice inequality and ethics the work challenges readers to consider the moral implications of their own actions and the treatment of marginalized populations swift's audacity to confront societal issues with humor and irony continues to resonate today encouraging critical dialogues about economic policies and social responsibility in summary jonathan swift's a modest proposal stands as a brilliant example of satirical writing that combines humor with a piercing critique of societal norms

and injustices through his outrageous suggestion swift forces readers to confront the dehumanization inherent in socio economic discussions and the neglect of vulnerable populations his work challenges us to advocate for compassion and humanity in addressing social issues rather than perpetuating cycles of exploitation as readers engage with this masterfully crafted essay they are invited to reflect on their own roles in fostering a more equitable and just society

swift reveals his satirical genius in this witty collection of prose that includes such popular works as a modest proposal and a tale of the tub

classiquill publications a modest proposal by jonathan swift is one of the most inspiring and memorable satire pieces made in history in the face of poverty swift proposes an impossible unthinkable solution to the irish which is selling children and eating them the witty piece picks fights with the heartless rich and is still an essay that continues to be read today 22 pages glossy and shiny cover 6x9 inches perfect to carry by hand or in your backpack newly done modern cover design

a modest proposal for preventing the children of poor people from being a burthen to their parents or country and for making them beneficial to the publick commonly referred to as a modest proposal is a juvenalian satirical essay written and published anonymously by jonathan swift in 1729 the essay suggests that the impoverished irish might ease their

economic troubles by selling their children as food for rich gentlemen and ladies this satirical hyperbole mocked heartless attitudes towards the poor as well as british policy toward the irish in general the primary target of swift s satire was the rationalism of modern economics and the growth of rationalistic modes of thinking in modern life at the expense of more traditional human values in english writing the phrase a modest proposal is now conventionally an allusion to this style of straight faced satire this essay is widely held to be one of the greatest examples of sustained irony in the history of the english language much of its shock value derives from the fact that the first portion of the essay describes the plight of starving beggars in ireland so that the reader is unprepared for the surprise of swift s solution when he states a young healthy child well nursed is at a year old a most delicious nourishing and wholesome food whether stewed roasted baked or boiled and i make no doubt that it will equally serve in a fricassee or a ragout swift goes to great lengths to support his argument including a list of possible preparation styles for the children and calculations showing the financial benefits of his suggestion he uses methods of argument throughout his essay which lampoon the then influential william petty and the social engineering popular among followers of francis bacon

a modest proposal by jonathan swift a book created almost 300 years ago by the creator of gulliver s travels maybe the most famous work of jonathan swift for this cruel and unconventional proposal swift has been several times matched with the reputation of writers such as de sade or lautreamont already in the past when the love of a parent for children was less felt and less obvious than today this book generated chaotic and shocked reactions in a very various range of readers the apparently sincere style used to write the book matched with the idea of cannibalism created a strong reaction not just in readers of the past but

maybe more and mainly in people that decide to read this book in our age the sense of disgust and of disappointment is something that readers can still feel when they have to deal with this work provocative fierce sharp most of the critics are divided in two different factions when the conversation arrive to this book someone see swift and his work as a provocative way to shake aims of irish population but for others mainly in the past the author was seriously promoting the horrible solution contained in his work created by an intelligent man often close to political speeches and political strategies this work reflect the complex point of view of a man that was a political writer and a political journalist other than a great satire creator a man usually more careful in his works who wanted once allow himself to express all his disgust for an unacceptable situation a modest proposal for preventing the children of poor people in ireland from being a burden to their parents or country and for making them beneficial to the public this was the complete title of this amazing book too long for being acceptable during the editing step it has been reduced to a modest proposal among the years the book express a deep contempt for the english politic in ireland even if the main accent is put on this contempt the author for sure doesn t forget to complain about the weakness showed by the irish population the proposal contained in the book is everything except than modest with a fierce and sometimes horrific economical point of view the author presented in the book as a character make a plan to solve the problem of the overpopulation among christian irish
